ERNIE IRVAN LETTER OF APPROVAL

- USRA racers,

I am writing this letter in support of The Slot Car Track hosting the Nationals in 2019. I myself have been racing at their track since 2011. Randy and Shelley go out of their way to make racers feel welcome. I am excited to know they have a chance to host a national event and I will definitely be there to support them at the races. I have raced slot cars with Kenny Schrader, Kenny Wallace and Jeff Green to name a few of my fellow Nascar racers which shows that slot car racing is a competitive sport. Dale Earnhardt's first trophy came from a slot car race!

Randy has many plans to help make the sport of slot cars expand and reach more people. The track is located in a central part of the US and I believe that will help to bring more racers to the event.

Please vote for The Slot Car Track in Concord for 2019!

Thanks,
Ernie Irvan

RYAN DAYVAULT KANNAPOLIS CITY COUNCIL MEMBER

USRA racers

I have been racing slot cars since I was just a young boy and my father raced them when he was young and now we are able to race together at The Slot Car Track in Concord. Those who know me well know that family is of utmost importance to me and being able to spend family time racing slot cars at such a family friendly place is something I support. Since I am involved with slot car racing myself I would love to have a National event in my own area and think The Slot Car Track would be an excellent location.

Thank you,

Ryan Dayvault
